RE: **NOTIFICATION TO HOLD A PEACEFUL DEMONSTRATION**

The above subject refers.

I wish to acknowledge receipt of your letter dated 13th September, 2019 which you informed the Police your intentions to hold a peaceful demonstration at Parliament Building on 23rd September, 2019. We wish to advise you not to proceed with your intended demonstration as the security situation is not conducive to allow a gathering like the one you intend to hold which may lead to break down of the law and order.

Therefore, you are advised not to proceed with your intentions but you may seek other legal avenues to address your concerns. As peace loving citizens, we hope you will join hands with us in putting precautionary measures to restore the tranquility that supports the peaceful enjoyment of human rights by all.
